

## This is My ISAGENIX Weight Loss Story

Hi ! I'm Rebecca Renfro-Conn and I'm so EXCITED ! . . . I just have to share this with everyone !

I'm finally losing that stubborn FAT ! I went on the ISAGENIX 9-Day Cleansing, Replenishing and Revitalizing program and was blown away with my results. I lost 11 pounds and 23 inches in just 9 days. My energy has gone sky high and I feel fantastic !

I still have a lot more fat to lose to reach my goal. I'm continuing to cycle through another 9-Day program. **So far - I have lost 23 pounds and down three dress sizes. YEA !**

I was always a fat chubby kid, teased at school, never feeling quite good enough. I hid my feelings with food and over the years, I blossomed to a hefty 190 pounds. I have tried every diet and weight loss program from A to Z, only to fail time and time again. I was on a treadmill - spending 20 years losing the same 20 pounds.

ISAGENIX is AMAZING. Nothing I ever tried has worked like ISAGENIX. This is the first time I have broken the plateau barrier and finally dropped below. I am now on the road to success and a brand new me - thanks to the ISAGENIX Cleansing and Fat-Burning System.

Am I EXCITED ? You bet I am. I look forward to every week watching my new body emerge from layers of FAT . . . clean and revitalized. Friends and family are noticing the difference. I'm getting compliments about how great I look. My clothes fit better. I've gone from a size 16 to a size 10 and still going down. I have tremendous energy and I feel good about myself.

When I first looked into the ISAGENIX Cleansing System, I wasn't looking for a business opportunity. I had more than enough to keep me busy. I just wanted to lose weight . . . but then others started asking me what I was doing ? I just say "I'm doing ISAGENIX and it's making a huge difference in my life". Then I tell them my story.

I am thrilled to have found this wonderful company. Thank you John Anderson and thanks also to Mike, Carole and Peter for your support.

I wish you all much success and happiness,

*Rebecca Renfro-Conn*

Philomath, OR

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
