

This is My ISAGENIX Weight Loss Story

107 Pounds Lost for Daughter's Wedding

My name is Rod and I started my Isagenix journey on March 10, 2006. I lost 18 pounds on my 9-Day Fast Start Cleanse ~ and 29 pounds in my first 30 days.

In 6 months ~ on September 10, 2006 ~ I had lost 101 pounds ! I went from 310 pounds to 209 pounds and I couldn't be happier !

I did this for my health and for my youngest daughter's wedding on September 30th where I tipped the scales at 203 pounds ~ a full 107 pounds less than my start weight.

I had hoped to lose 50 pounds by that day and ended up losing more than twice that amount with these amazing Isagenix Cleansing and Health Maintenance Programs!

I look better and feel great ! I still have about 30 pounds to lose but know it is a done deal with Isagenix.
