

## **This is My ISAGENIX Weight Loss Story** **100 pounds in 7 months !**

**BEFORE ISAGENIX CLEANSE**

**AFTER ISAGENIX CLEANSE**

When I was younger, I was slimmer - but after having my babies, I did not take care of myself and my health started to deteriorate. I had a lot of head discomfort, and I was always in a bad mood.

One day a friend told me about Isagenix, but at the time I did not have any interest. It was not until much later when I finally recognized my condition and how I was hurting myself that I was ready to make a change in my life.

Isagenix has been a great blessing to my life - in my emotional and physical health. I lost 100 pounds in 7 months and I went from size 26 to size 16 ! I am still working with the Isagenix Cleansing System to achieve my ultimate weight goal. Now I feel stronger, full of energy, happy, and people are even telling me I look younger. WOW . . . how many women like to be told that !

Isagenix has allowed me to dream big and I know I can reach my dreams and goals.
