

## MY ISAGENIX "CLEANSING" STORY

My name is Lenny Evans and I live in Redlands, CA. In 1993 I left education to become an Entrepreneur and opened several sandwich & frozen yogurt restaurants called Hogi Yogi. While continuing to own and operate a Hogi Yogi franchise in Downtown Redlands, I consult for other restaurants. I have learned a lot about restaurants, business, dieting and nutrition in the past twelve years.

While doing research for a keynote address at a NACUF (National Association of College and University Food services) seminar - I became knowledgeable about current diet fads and what was working and why. I read all the books and articles I could find and began interviewing people about what they were doing to lose weight and stay in shape. All of my searching has finally paid off as **I have discovered the most incredible overall health system** which has improved my health so much that I want to share it with others — and with ***you!***

A friend suggested a “**Cleanse**” and encouraged me to read “The Magic in Asking the Right Questions” by Bill Mayer. Cleansing seemed strange, but I am an avid reader so I agreed to read Bill’s book. What a book. The author was advocating this Cleansing System and making some pretty interesting promises. I was skeptical - however, after investigating the ingredients in this Cleansing System and a personal phone call to Bill Mayer, I agreed to Cleanse my body from the inside out!

This new Isagenix Cleansing Technology exceeded all of my expectations! The results were remarkable. After just 9 days, I lost 13 pounds and 4.5 inches off my waist! I could breathe freely again, my headaches were gone, my energy level was incredible, and my cravings for sweets tapered way down! I instantly became converted to this amazing Isagenix Cleansing System. I now tell everyone I meet that my search for the perfect health system has been answered by one word - four syllables . . . ***Isagenix.***

***Isagenix*** helps the body cleanse and remove impurities that we eat, drink and breathe into our bodies DAILY. These impurities can cause our bodies to hang on to excess fat. I have now been sharing both the health benefits as well as the potential business opportunity with everyone I know. I love seeing the changes in people as they embrace this revolutionary Cleansing Technology. The health benefits are extraordinary and far exceed any of the dozens of diets and nutritional health programs I have studied.

One very important thing that I have learned is that ***Isagenix*** is **not** a DIET. It is a very healthy Nutritional Cleanse which is changing lives. Be sure to read the other wonderful real life stories on [www.WeightLossHallOfFame.net](http://www.WeightLossHallOfFame.net).

I have found both the health system and the business opportunity that I have been searching for. Join us for a healthy, fun, and exhilarating ride as we improve America’s health one person at a time.

Lenny Evans ~ Redlands, CA

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
