

This is My ISAGENIX Weight Loss Story

BEFORE
218 lbs

AFTER
198 lbs

BEFORE
218 lbs

AFTER
198 lbs

My wife, Teresa, has been trying to find a way to earn extra income working from home for years. She came across Isagenix and it was the Business Opportunity that first attracted her. After much research, she ordered the 9-Day Cleanse Program.

Since Teresa is still nursing our baby, I volunteered to be her Guinea pig. I was more than willing because my weight was out of control. I had just completed a colon cleanse from a different company so I really didn't think I would lose even 7 lbs. I was VERY SKEPTICAL . . . but hopeful at the same time.

Teresa took my picture the night before I started the program. It was September 3rd and I weighed 218 lbs. On the morning after I finished the program, I weighed 201 lbs. **In just 9 days – I lost a total of 17 pounds and 3 inches from my waist !**

It has been 17 days since I completed the 9-Day program. I have not gained any of the weight back AND I have lost an additional 3 pounds . . . **a total loss so far of 20 pounds !**

Keeping my body at a healthy weight has always been a challenge for me. I go up and down all year long like a yo-yo. It seems the older I get – the easier it creeps up on me – and the harder it is to get it off. I really believe that I have finally found the tools to maintain a healthy and fit body for the rest of my life.

Have I been exercising ? You bet I have. I have always loved running but when I was lugging around an extra 20 pounds I was tired and sluggish and the last thing I wanted to do was run. I take the **Men's Essentials** and **IONIX SUPREME** every day and I feel excellent. I use the Shakes as Meal Replacements to help maintain my weight. I'm thinner. I'm motivated and I have tons of energy now that I just didn't have before.

I can't tell you in this short space about how great these products make you feel. I told Teresa the other day to order 2 bottles of the **IONIX SUPREME** because I want to make sure we don't run out. For some people it's coffee . . . for us, it's **IONIX**. The caffeine in coffee is so bad for our bodies . . . but **IONIX** is just packed full of good, healthy nutrition. It helps balance stress and gives us energy. **IONIX is definitely a vital part of our DAILY routine.**

Teresa's business is growing faster than she ever expected because these products truly do work. People SEE a difference in you and ask questions. Then when they try them - they not only SEE a difference in their own body . . . they FEEL it.

Jack and Teresa Gearing - Raleigh, NC.

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
