

## **This is My ISAGENIX Weight Loss Story**

**My name is Sherry Lamb. I am a 65-year-old lady who weighed 298 pounds with many health problems. Life was not good at all.**

**My daughter and son-in-law . . . Sheryl and Ed Lee went on the Isagenix Cleansing System. I had been praying to God for help. I have done every known diet and tried every thing on the market - which resulted in very little weight loss - only to gain back what I had lost - and put more on.**

**I was on eight medications and a breathing machine walking with a walker and not able to do much of anything. Now - because of my weight loss I can walk without the walker and the breathing machine is in the closet !**

**When I began the Isagenix Cleanse . . . I lost 83 pounds in 6 months. Now I have lost 118 pounds and feel fabulous. I started my wonderful walk with Isagenix on May 25th in 2003. I feel wonderful and I want to help others like myself be set free.**

**I am still losing ! I am 4 feet, 11 inches tall . . . so I have 60 more pounds to go but I will do it because I never want to go back to what I was. I have Isagenix now. I named my business "Lite Forever" because with Isagenix I can be Lite forever.**
