

## This is My ISAGENIX Weight Loss Story

***FATTY NO MORE !!!... I'm PROUD to be a BIG LOSER !!!***

I have never cleansed before or used any weight loss products in the past. Being in balance and having energy has been an ongoing challenge. As a working, single mom, I lived on a diet of restaurants and fast foods, never taking the time to grocery shop, yet alone prepare healthy meals for me and my 7 year old daughter. I rarely drank water and lived on gallons of diet coke, iced tea and artificial sweeteners.

At the end of Sept. 2006, I decided it was time to take the plunge and CLEANSE ! Wanting something easy, I decided to do the 9-Day Cleanse. I was scared because I knew how polluted my body must be. I thought if I began cleansing, I'd go into convulsions or something. So I did a few extra days of pre-cleansing because of all the caffeine and sweet-n-low I ingest daily.

I began the 9-Day Cleanse on Sept. 29 and started drinking 100 ounces of purified water a day. I also started walking an hour a day in the mornings. Within a few days, I experienced a complete turn-around. I felt great and had more energy than I've had in years. On the first 9-Day Cleanse ~ I lost 10 lbs and 10 inches. I was amazed because I've always been weight-loss resistant. My daughter also lost 10 pounds in the first month since I was not feeding her fast foods any more.

As of Nov. 26, 2006, I've lost 28 pounds and 19 inches. I went from a size 18/20 to a size 12/14 in 2 months. I did NOT experience any withdrawal symptoms, hunger pains, or cravings. I used to snack all day, but now I'm no longer a "carbo-holic." Sweets don't even taste good to me anymore. I feel free at last.

On a recent visit to my parents in Palm Springs, my mom was absolutely amazed at how wonderful both my daughter and I looked. She decided she HAD to do a 9-Day Cleanse too. She turned 70 on Nov. 10, 2006 and wanted to be in tip top shape. She didn't need to lose much, but when I saw her over Thanksgiving, she had dropped 10 lbs with Isagenix. She has decided to lose another 10 lbs so she can be at her teenage weight !

Neighbors now stop me on my morning walks and ask me what I'm doing – I attract people everywhere I go. It feels great to help people regain their health and vitality. I still need to drop another 60 lbs and I'm confident I'll do that in 6 months or less with Isagenix. Those who get started right away can also start enjoying the benefits of this wonderful cleansing program. You too can be a proud BIG LOSER. Think thin and become trim the SAFE, Healthy Isagenix way.
