

## This is My ISAGENIX Story

**BEFORE ISAGENIX CLEANSE**

**AFTER ISAGENIX CLEANSE**

I lost control of my weight after my first baby. I have tried everything and nothing seemed to work.

It wasn't until about a year after my second child that I was introduced to Isagenix by my sister. She told me about this new technology that was supposed to cleanse my body and a side effect would be weight loss. I decided to give it a try. It was probably one of the best decisions I ever made. I was shocked that this one actually worked.

**I lost 28 pounds in the first 9 days.** I felt like I was 12 again. My mind was clear and I had so much energy. I kept on the product and the weight just kept coming off.

**I have lost a total of 65 pounds.** It took me 6 weeks to get that off - **but the most amazing thing is that I have kept that off for a year.** I will never be without Isagenix . . . it truly changed my life.
