

MY WEIGHT LOSS STORY . . . 19 Pounds in 9 Days !

CHANGING LIVES ONE POUND AT A TIME

Being Honest With My Self.

My name is Billy Owens from Louisiana. I was so ashamed of myself and feeling a sense of hopelessness. I enjoy playing sports with my children – but, I became concerned the day I was running and had to stop because I felt as if my heart was about to come out of my chest.

I didn't say anything to my children, but I knew something had to change where my being overweight was concerned. I had to do something . . . start jogging, walking, cycling, join the health spa . . . try another diet or SOMETHING.

A week or so later - a friend Introduced me to a **Cleansing and Fat-Burning System** that is **100% Natural** and **Safe**. He informed me that there is NO Ephedra. NO MaHuang. NO Caffeine – and NO Harmful Chemicals in this product.

He had my attention ! Taking that into consideration and watching the results that he was having - I began to wonder if this product could work for me. I decided to give it a try. And the rest is history. In just nine days - I lost 19 ½ pounds. Not nine weeks - but nine days !

I also lost 4 1/4 inches around my stomach area. I have gone from a **SCREAMING** 38" waist to a very comfortable 36" and getting smaller by the day ! What I thought was impossible became possible with this program.

This product targets fat, impurities, and chemicals. While getting healthier by the day - you also receive a wonderful by-product - lose unwanted, unhealthy pounds and inches !

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
